

## Wokingham's pledge to Children in Care Annual survey Summer 2020

Our Corporate Parenting Service with help from the Children in Care Council are contacting you about the annual survey of our pledge to Children in Care. The pledge is a list of promises Wokingham make to ensure that they are good corporate parents. It is written in consultation with children in care. The pledge can be viewed online on the Children in Care Council website:

<https://childrenincarecouncil.wokingham.gov.uk/> The survey is available on this website, via the following link:

The survey asks young people about their experiences in care and helps us know whether Wokingham are keeping the promises set out in their pledge to young people

The survey will run from the **10<sup>th</sup> of August 2020** to the **31<sup>st</sup> of August 2020** and the results will be used to ensure Wokingham are doing things right for their vulnerable children and young people:-

We are asking you all to encourage the children in your care to complete the survey to ensure the young people's voices are heard

Please share this with the children and if necessary, help them to complete the survey
